

## Muddy Puddles

Sing to the tune of 'Pop goes the Weasel!'.

Take one day of heavy rainfall,  
Add boys and girls in wellies.  
Run up fast and a leap in the air,  
Jump in muddy puddles!

Take one day of heavy rainfall,  
Add boys and girls in wellies.  
Find the biggest stone that you can,  
chuck it in the middle!

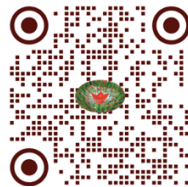

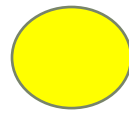

Take one day of heavy rainfall,  
Add boys and girls in wellies.  
Dip your paintbrush right to the ground,  
Paint with muddy puddles!

Take one day of heavy rainfall,  
Add boys and girls in wellies.  
Make a boat as light as you can,  
Sail on muddy puddles!

Take one day of heavy rainfall,  
Add boys and girls in wellies.  
Kick them off and leap in the air,  
Jump in muddy puddles!

- Put a tick in each of the circles when you have had a go at the muddy puddle activities. (I have made the final circle yellow like the sun because you may like to wait for some warmer weather before you tick that box!)

Have fun everyone! Best Wishes, Emily Ifsits
